Message from the Founder

By: Pastor Tim Bash
Founder

Sometimes when I read Scripture, I am reminded of some of the basic lessons in life. I was recently reading through the book of John chapter 17 when I was reminded about unity. Jesus was praying for his disciples then began to pray for all believers. He prayed for unity among believers. John 17:20-21 states, "My prayer is not for them alone. I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me."

Jesus desired unity among all believers. We have taken it upon ourselves to create different denominations and define differences among our beliefs. We should be defining and celebrating our common beliefs and sticking to the core of Christianity.

I listen to a variety of music. Don Francisco once sang a song entitled "He's Alive". The chorus has a line that I will always remember. It goes "... He's alive and I'm forgiven. Heavens gates are open wide..." If we really think about it, what else really matters? Whether you are Calvinist or Arminian, whether you believe the ideas of Pre-Tribulation, Mid-Tribulation, or Post Tribulation, it really doesn't matter. He's alive and I am forgiven. What else do we really need to know?

Outreach Update

By: Brian Fullerton
Outreach Coordinator

It is hard to believe that summer is coming to an end. We have had a great few months and seen many people. We were blessed with some new volunteers as well as some who have not been able to attend due to being away at school. It is always great to see them come back to help when they our home for the summer.

I have to say that our volunteers continue to amaze me. We have had a couple of outings this past summer where we had obstacles thrown at us and as a group we overcame them and pressed forward. For example, when the Democratic National Convention came to Philadelphia one of our stops was converted into a café forcing those who we normally would serve out of the park, and leaving no place for us to park. We then discovered that Love Park, our usual last stop, was torn up so we could not stop there. After regrouping, the group found a place to park about three blocks from our second stop and lugged all of our supplies over to the people we had seen there so we could pass out food to them. The volunteers were all more than happy to assist in any way they could. I have to say that we have some of the best volunteers. Thank you to all who help us.

As we move into the fall months I ask for prayer for more volunteers. I also ask for prayer as we determine where our stops will be. Love Park is under a major renovation and will be shut down until spring of 2017. Our mission is to reach as many people as possible at each outing.

If you would like to come out and experience the blessing we receive each outing please feel free to join us. Our Camden outings are held on the first and third Saturdays of each month with the group

DONATIONS!

Clothing donations can be accepted by placing in the bucket in GCCC's lobby or by calling someone from the leadership committee at 866-924-2677 to arrange for pick up. Anyone willing to have a clothing/supply drive please contact Brian. Although we greatly appreciate all donations we receive, please note that we have recently been receiving many items that are not Sure House friendly. It would be greatly appreciated if donators could screen donations a little more carefully for items that do not meet our purposes.
