## Message from the Founder

By: Pastor Tim Bash  
Founder

I love it when things turn out better than we expected. I especially love it when it was not by our own design. I encountered such an occurrence of this by looking at our own website and seeing the following picture. Just recently, I was speaking with someone about Sure House and how our weekends usually go. I opened my phone to show him the website for him to view. After looking over the website, he asked me if I really believe that God rewards us for helping those in need. I said yes at that moment. Later on, I went to the website to review Proverbs 19:17 and ponder that thought.

In looking for the verse, I ran across this picture that hit me in a greater way than it had before. I noticed that the man whom we just served was out of focus in the picture. Let's be honest. Isn't that how we sometimes see others, blurred and out of focus, maybe even insignificant? Now when I see this picture, it's a reminder that God loves everyone one of us the same. (Acts 10:34-35) When this picture was taken, I do not believe this was the intended purpose but God had a greater plan.

## Outreach Update

By: Brian Fullerton  
Outreach Coordinator

Hard to believe spring is around the corner. This winter has been tough with some cold Saturday nights. We have started to receive a donation of bagged lunches from an organization in our area. We also had another great Christmas outing that happened to fall on Christmas Eve this year. We had 12 volunteers join us to serve 40 hot meals. It is definitely one of our favorite traditions each year.

Unfortunately I missed most of the outings this past winter due to a shoulder injury but it helped me to remember how much of a blessing it is to be able to serve each Saturday night. We would love to have you come join us. We leave for Philadelphia from Gloucester County Community Church at 6PM on the second and fourth Saturday of each month. If you have any questions please feel free to email me at [brian.youthmin@gmail.com](mailto:brian.youthmin@gmail.com).

## DONATIONS!

The Sure House Mission storage unit has great items in it that could use some organization. Betty & George Gallen have done a great job in doing just that. They could use a hand sorting donations and maintaining it in good order. If you have time and you would like to help, give them a call at (856) 655-3309.
