Message from the Founder

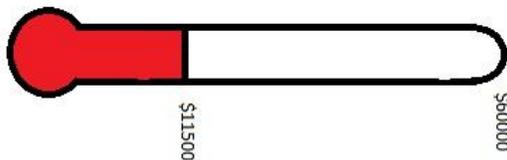

By: Pastor Tim Bash
Founder

It is always good to know that what we do has positive effects and is appreciated. I recently heard a story that confirms just that. I was speaking with one of our regular people that I had not seen for a few months. She had been arrested for some old charges and was incarcerated for some time.

She began to tell me that while she was incarcerated, she remembered the things we were talking about before she was arrested. These things were further confirmed by the nuns that were visiting the facility where she was. She told me that these memories and confirmations were what kept her going while she was in there.

Often times, we have the opportunity to advise those that we encounter and we have no idea of the impact that was made. Not knowing, can make us curious and wonder what the outcome was. In this case, we not only know how it went but we know that the person was grateful. It is great to see how God puts things together. All we have to do is trust and obey. We trust that what He tells us to do and say is what is needed. Then we obey what He tells us to do because we trust Him. Trust and obey for there is no better way.

Outreach Update

By: Brian Fullerton
Outreach Coordinator

I had a neat experience this past week. Last December I met a man near my work who was asking for money outside of a Wawa. I have a strong stance about giving out money to people I do not know so I got into my car. As I did I felt convicted to find a way to help this young man, however he had already taken off across the parking lot. I decided to try to catch up with him down the road and managed to find him at the entrance to a Burger King. I asked him if he was hungry, to which he replied that he was. I took him inside, bought him a meal and then sat and talked with him for about fifteen minutes. As I left he thanked me for the meal and for taking the time to listen to him. I did not think much about it until I was in the very same Wawa this past week and felt someone tap me on the shoulder and say "Hi". It was the young man I had encountered in December. I did not have a chance to talk to him this time but he clearly looked better than he did last year.

This made me think about our outings to Philadelphia and Camden and how much more there is to these outings than just us giving out food and clothing. Each time we go out we are giving the people we meet our time and someone to listen to them. And in doing so we are able to build relationships with each of them.

We have been blessed to have some new volunteers joining us and also to see some of our regular volunteers step up in what they do during our outings. It makes me so happy to see a fourteen year old (if that is how old Semaj really is) step up and lead a devotion in the middle of a park in Philadelphia.

If you have any questions regarding our outreach to Philadelphia and Camden, or would like to contribute meals for our outings to Philadelphia, please call me at 1-866-924-2677 Ext. 41 or you can email me at brian.e.fullerton@gmail.com. Thank you for your assistance and support of our outreaches with Sure House Mission.

In Christ,
Brian Fullerton

DONATIONS!

Donations can be accepted by placing in the bucket in GCCC's lobby or by calling someone from the leadership committee at 866-924-2677 to arrange for pick up. Anyone willing to have a clothing/supply drive please contact Brian.

Although we greatly appreciate all donations we receive, please note that we have recently been receiving many items that are not Sure House friendly. It would be greatly appreciated if donators could screen donations a little more carefully for items that do not meet our purposes.
