One Lost Sheep

It is truly incredible when you see the Bible come to life right in front of you. Do you remember the parable of the lost sheep in Luke 15? The SHM outing in early February seems as though the Bible came to life that day. You may recall this outing was soon after the big snow storm we had and it was bitter cold for two weeks straight. Snow was still piled high everywhere. We considered changing the location because our usual location was covered in deep snow. We had scheduled for Chain Breakers Recovery Ministry from Gloucester County Community Church to serve with us that day. We prayed and decided to move ahead with our usual location. We dug out a place to set up the tables. The wind was blowing the tables as we were setting up to serve. One of our tables was blown into the other and got damaged. Soon after setting up, people began showing up for us to serve them on this frigid and windy day. Then it happened. One of the Chain Breakers recognized one of our friends from the street. They began conversing and our friend accepted Christ in the middle of a snow-covered lot on a blustery and cold day. A sheep was found!!! The team went to great lengths to find one lonely, lost sheep and it was well worth it.

Thoughts From One of Our Volunteers

Our family has been deeply blessed through the opportunity to serve together in volunteer work for Sure House Mission. Serving alongside my two teenage boys has not only strengthened our bond as a family, but it has also strengthened our faith and gratitude to God. What began as a simple desire to help others has become a meaningful ministry that continues to shape our hearts. At Sure House Mission, we have participated in organizing donated items, preparing care packages, assisting with distribution events, and offering a welcoming presence to individuals and families in need. My boys have taken great pride in working diligently—lifting boxes, sorting supplies, and stepping up wherever help is needed. Watching them serve with compassion and humility has been one of the greatest blessings of my life. These experiences have helped them develop responsibility, empathy, and a deeper understanding of what it means to love and serve others. We are continually reminded that service is not about recognition, but about obedience and gratitude. Every task, whether big or small, is an opportunity to reflect God's love in practical ways. Through this mission work, we have seen firsthand how faith in action can bring hope and encouragement to those facing difficult circumstances. Most importantly, we give all glory and praise to God for allowing us to be part of this work. It is a privilege to serve Him by serving His people. We are thankful for the lessons learned, the relationships built, and the joy that comes from giving back. Our prayer is that we may continue to walk in faith, serve with willing hearts, and always honor God in all that we do.
