Message from the Founder

Pastor Timothy Bash

It is hard to believe that Sure House Mission has a big anniversary coming up this year. I have been telling people that this is our 20/25 year anniversary. Let me explain.

We started taking blankets to Philadelphia in 2001. That is when we started doing the work of caring for our friends on the street. This makes it our 25th year anniversary. It was in 2006 that Sure House Mission was officially formed and became incorporated as a business entity. From this perspective, this year is our 20th anniversary. Either way you look at it, this year is a big milestone for us. We plan to do some kind of celebration later this year but we do not know how it is going to look just yet. Over the years, there have been so many people involved and countless influences that have formed the mission you see today. If we can capture even a small fraction of the joy and emotion we have experienced over these years, it will be an incredible night to remember.

We do not have a date or any details as of yet. Keep an eye out so you don't miss it when the time is right. Hope to see you there, wherever and whenever it is.

Thoughts From Pastor and Wife

From Pastor Fred Hill. Associate pastor Straight Line Church in Westville.

Jesus said what ever we do to the least of his we do as unto him. Sure House Mission is a perfect example of that scripture. Under the leadership of pastor Tim people have been fed clothed and saved. The people of Camden are truly blessed because of this ministry.

From Marlene Hill

I've attended the outreach for a couple of years with Sherry. One of my first experiences was the day before

Father's Day. Along with food and clothes, we brought Father Day cards. I will never forget the look on those men's faces as we handed them the card and said "Happy Father's Day! The surprise on their faces, and the tears

in their eyes. Even when we ran out of cards, we still congratulated them.

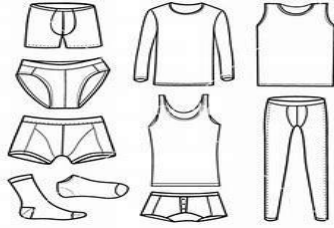

Some of them admitted that they had not seen their

children in years; there was so much

shame, guilt and pain. But still we hugged some of them, and shook some of their hands. We tried to reassure them that though they may have made some bad decisions, our Heavenly Father still forgives
